

Trinidad Reflections, Leanna Losaria Barwick

Project Description (Maximum 250 words for df.show website)

Trinidad Reflections is a curation of sounds and forms documented during a week-long intensive study abroad program during the fall 2022 semester at OCAD University in partnership with Wa Samaki Ecosystems Permaculture Farm in Freeport Trinidad. Mixed media samples were digitally recorded, and then animated, rendered, and blended to create audio/video vignettes intended to capture the essence of the moment held in mind and heart.

Wall cards for each piece:

Sam's Bus, 2022, Leanna Barwick, Video, Length 00:00:54

Sam's Bus shares a moment of students bonding over food during the first bus ride traveling to Wa Samaki Ecosystems Permaculture Farm.

Wa Samaki Creatures, 2022, Leanna Barwick, Video, Length 00:00:54

Wa Samaki Creatures is a digital rendering of an abstract oil pastel drawing, animated into a short video with sound collage soundtrack, captured on the same day the sketch was done.

Bunty's Queen Bee, 2022, Leanna Barwick, Video, Length 00:01:00

Bunty's Board House, 2022, Leanna Barwick, Video, Length 00:01:00

Bunty's Queen Bee and *Bunty's Board House* experiments with photogrammetry techniques applied to sculptural photographic documentation. These images are used to create 3D digital models, then featured in a short video accompanied by an audio interview of the artist Bunty O'Connor speaking about their work and creative process.

Razi's Serenade, 2022, Leanna Barwick, Video, Length 00:02:54

Razi's Serenade is a video collage and tarot card reading that documents a class performance from the last day of the course, featuring Carnival masks and costumes, dance improvisation, music and singing.

Project Description (Maximum 100 words for wall card, if exhibiting in the grad gallery or X Fab)
